

Dynamic Seating

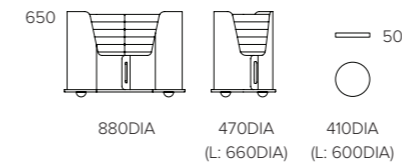

The Dynamic Seating collection groups together a selection of flexible and versatile seating. This includes the Padi Storage Unit on wheels, where sets of 10 or 20 floor mats are easily stored and moved. Meanwhile motion seating that can tilt and rock - the Lips, Mogi, Dodo and the Balance Ottoman - are all providers of healthy and active sitting. Or utilise the R2, a stool on wheels that also acts as a storage unit, along with a writing pad option.
